WEBSITE TERMS & CONDITIONS

Website Terms & Conditions

The terms on which you may use www.biocarbonspaces.com.

Welcome to the BioCarbon Spaces website.

Please note, if you continue to use and browse this website, you are agreeing to comply with and be bound by the following terms and conditions of use. Together with the BioCarbon Spaces Privacy Policy and Cookie Policy, these govern our relationship with you in regard to this website. If you disagree with any part of these terms and conditions, please do not use our website.

Who we are

The term "BioCarbon Spaces", "us" or "we" refers to the owner of the website. BioCarbon Spaces is a trading name of Rex Bousfield Ltd, whose registered office is 26 Brunel Road, Earlstrees Industrial Estate, Corby, Northants, NN17 4JW. Our company registration number is 00331922. The term "you" refers to the viewer or user of our website.

These terms apply to the whole of www.biocarbonspaces.com, including all pages relating to our storage walls, lockers, education walls, acoustic systems, partitions, bespoke office interiors and the Framework Collection.

Terms of use

The use of this website is subject to the following terms of use:

- The content and images shown on this website may change without notice and are for your general information and use only.
- We use cookies to monitor your browsing preferences. If you allow cookies to be used, personal information as described in our Privacy Policy and Cookie Policy may be stored for use by BioCarbon Spaces to help provide you with the most relevant browsing experience possible. We may also use this data to provide you with information we believe would be pertinent to your enquiry.
- Your use of information or materials shown on this website is absolutely at your own risk, for which we shall not be liable. It shall be your own responsibility to ensure that

Technical information, drawings and specifications

Technical data, performance figures, sustainability credentials, dimensions, drawings, CAD files, BIM objects and specification text published on this website are provided for general guidance only. They are indicative and are not a substitute for project-specific design, survey or professional advice.

In particular:

- Performance characteristics – including formaldehyde emission levels, recycled and circular economy content, acoustic, fire, structural and durability performance – depend on the specific configuration, finish, installation and operating environment of the product supplied.

- Any figure published here is subject to the tolerances, test standards and conditions stated in the relevant test evidence, Environmental Product Declaration or Life Cycle Assessment, which is available on request.
- Made-to-measure and bespoke products are manufactured to a specification agreed in writing following survey. Sizes, module configurations and finishes shown on this website are illustrative of what is achievable, not a fixed catalogue.
- It remains the responsibility of the specifier, contractor or end user to verify that a product is suitable for its intended application, and to confirm the final specification with us in writing before ordering.
- We reserve the right to alter product designs, materials, finishes and specifications without notice as part of our continuous development. Finishes within the Framework Collection are subject to availability from our board suppliers.

Nothing on this website forms part of a contract. Sales of products and services are made only on our written quotation and our terms and conditions of sale, which are supplied with each quotation and prevail over anything published here.

Colour, finish and material representation

Images, swatches, renders and visualiser outputs shown on this website are representations only. Screen calibration, lighting and photography mean that on-screen colour and finish will differ from the physical product. Always request a physical sample before making a final selection.

Natural variation in materials, batch-to-batch variation in board and laminate decors, and normal wear over the life of an installation are inherent characteristics rather than defects.

Acceptable use

You agree not to:

- Use this website in any way that is unlawful, fraudulent, or harmful, or in connection with any unlawful or fraudulent purpose
- Attempt to gain unauthorised access to the website, the server on which it is stored, or any server, computer or database connected to it
- Introduce any virus, trojan, worm, logic bomb or other material that is malicious or technologically harmful
- Scrape, harvest, systematically extract or reproduce content from the website for commercial purposes without our written consent

Availability of the website

We do not guarantee that our website, or any content on it, will always be available or uninterrupted. We may suspend, withdraw or restrict all or any part of the website for business and operational reasons, and we will try to give reasonable notice of any suspension or withdrawal.

Our liability

Nothing in these terms excludes or limits our liability for death or personal injury arising from our negligence, for fraud or fraudulent misrepresentation, or for any other liability that cannot be excluded or limited under English law.

To the extent permitted by law, we exclude all conditions, warranties, representations or other terms that may apply to our website or any content on it, whether express or implied, and we will not be liable for any loss or damage – including loss of profits, business, contracts, anticipated savings, goodwill, data, or any indirect or consequential loss – arising from your use of, or inability to use, this website, or from reliance on any content displayed on it.

Changes to these terms

We may amend these terms at any time by updating this page. Please check back from time to time, as the version in force is the one published here when you use the website.
